EXPERIENCE

AI Design Researcher & Product Developer

Agentic AI Design Research Lab, Brown University | Sep 2026 – Present

Design interactive prototypes for emerging agentic AI experiences, translating research into product concepts and leading user evaluations to iterate and validate them.

UI/UX Designer & Accessibility Researcher

Technologies as Prosthetics, CNTR, Brown University | Sep 2026 – Present

Design accessible, interactive digital experiences and collaborate across disciplines to apply inclusive design principles and accessibility guidelines for diverse users.

AI Policy & Legislative Researcher

AISLE Legislation Lab, CNTR, Brown University | Sep 2026 – Present

Analyze AI legislation and transform complex policy requirements into actionable insights to support informed decision-making around transparency, accountability, privacy, and fairness.

Design Researcher & Motion Graphics Animator

Pluriversal Futures Design Lab | 2024 – 2025

Translated complex future social scenarios into a 10-minute animated speculative design film, designing its storyboards, motion language, and visual system.

Co-Founder, UI/UX Designer & Producer

MassDigi Summer Innovation Program | Summer 2023

Co-led product development of Rock On, Raccoon!, a mobile rhythm game shipped on the [App Store](#) and Google Play. Designed the UI and visual design system, presented the product to stakeholders and industry professionals, and produced the launch trailer.

PROJECTS

Product Designer & UX Researcher | talkIT

AI-powered language-learning app, Brown University + RISD | 2025 – 2026

Surveyed 130+ learners ages 18–65+ and found 79.1% couldn't recall vocabulary in real settings. Ran three in-person sessions, then translated the insight into a camera-first AI conversation product concept, designing flows and screens in Figma.

Lead Product Designer | Course Correct

Mobile app for driving instructors, Brown University + RISD | 2025 – 2026

Ran ride-alongs to find instructors' in-car workflow pain points, then designed a glance-first live interface with swipe-to-flag, voice notes, and automated session reports.

LEADERSHIP

Director of Design

[Cornell Undergraduate Research Journal \(CURJ\)](#) | 2021 – 2024

Led and mentored the design team and oversaw the journal's visual identity system.
